

<p style="text-align: center;">Rounding</p> <p>Choose the most appropriate worksheet for you on rounding (chillies from green to orange to red) Look at the statistics which are all related to football and then round up appropriately.</p> <p>Here are some videos that might help.</p>  <p>https://resources.hwb.wales.gov.uk/VTC/2017/CiparFathemateg/elements/CA2/2/amcangyfrifTalgrynu.html (talgrynnu i'r 10/10/1000 agosaf) https://resources.hwb.wales.gov.uk/VTC/2017/CiparFathemateg/elements/CA2/2/amcangyfrifTalgrynuRhifauCyfan.html (talgrynnu i'r 10/100/1000/rhif cyfan agosaf) https://www.bbc.co.uk/bitesize/articles/zjf492p rounding to the nearest 10/100/1000</p> <p style="text-align: center;"><i>Upload your work to your J2e file in HWB.</i></p>	<p style="text-align: center;">Favelas</p> <p>Although parts of Brazil are wealthy, there are huge areas of great poverty. The poorest live in areas called favelas. Look at the PowerPoint presentation on the lives of Samir and Samira, two children who live in a favela. After reading the information, fill in the table to show where the children go to do their various activities, to feel safe etc. Then create a map showing the places where you yourself can do these things (more instructions on the sheet).</p> <p style="text-align: center;"><i>Upload your work to your J2e file in HWB</i></p>	<p style="text-align: center;">Suka's story</p> <p>Read the story starter about Suka in the rainforest. You might want to uplevel some of the vocabulary (particularly verbs and adjectives) Then you need to use your imagination to write the rest of the story.</p> <p>Think about:</p> <p>What is making the noise? Where is everyone going? Does Suka stay? Escape? Help? What will Suka do? How does the story end?</p> <p style="text-align: center;"><i>Upload your work to your J2e file in HWB.</i></p>
<p style="text-align: center;">Verbs</p> <p>Open the document entitled 'Rhedeg berfau'r gorffennol'. Firstly, practice saying the verbs out loud, then fill in the blanks using the correct verbs.</p> <p style="text-align: center;"><i>Upload your work to your J2e file in HWB.</i></p>	<p style="text-align: center;">Art – Christ the Redeemer</p>  <p>Create a silhouette of the famous statue 'Christ the Redeemer' and decorate the background of the picture. Open the document entitled 'Celf - Brasil' for some ideas. Think about colours, patterns and so on. You may use any medium for the background.</p> <p style="text-align: center;"><i>Upload your work to your J2e file in HWB.</i></p>	<p style="text-align: center;">Facts about Brazil</p> <p>In order to learn about Brazil, use the internet to collect information about the country. You will need to research the following - capital city, states, famous attractions, the Amazon rainforest, rivers etc. Use the document entitled 'Outline - Brazil' in order to place the important places on the map of Brazil. You may present your facts about Brazil using any medium. (PowerPoint, fact file...)</p> <p style="text-align: center;"><i>Upload your work to your J2e file in HWB.</i></p>
<p style="text-align: center;">Homophones</p> <p>Open the document <i>Homonyms – your and you're</i>. At the top of the activity, there is an explanation of how both "your" and "you're" are used correctly in written English. Write out the work on a piece of lined paper, using a colour code for both "your" and "you're".</p> <p style="text-align: center;"><i>Upload a picture of your work to your files on J2e on HWB.</i></p>	<p style="text-align: center;">Biography</p> <p>Write a Biography of a famous Brazilian footballer. Open the document <i>Writing a Biography</i>, a PowerPoint presentation which can be viewed through your HWB Office and will give you guidance on writing your biography. Feel free to write this by hand or type it, but please be as original as possible in your work.</p> <p style="text-align: center;"><i>Upload your work to your J2e file in HWB.</i></p>	<p style="text-align: center;">Coding</p> <p>Go to the app/link j2code in your HWB files, then click logo (https://www.j2e.com/logo.html). You have 2 challenges:</p> <ol style="list-style-type: none"> 1) Create the Brazilian Flag as accurately as possible 2) Create a map of Brazil accurately as possible <p style="text-align: center;"><i>Upload a screenshot of your work to your files on J2e on HWB.</i></p>
