

<p>Life has changed and slowed down during this lockdown. I have really noticed and appreciated the things which are important to me. It has made me think about things that I will change in the future and things that I will make sure that I do. The poster in the attached pdf (titled 'poster') is a good example of some of these things.</p> <p>Design your own poster to show the things that you have enjoyed or appreciated and perhaps things that will be important to you in the future. You could include drawings, photos, videos, music clips or anything that conveys your message.</p> <p>Upload your work to your J2e file in HWB.</p>	<p>Multiplication – written methods</p> <p>Multiplying by 1 digit e.g. 435 x 4 Multiplying by 2 digits e.g. 25 x 38 - grid method Multiplying by 2 digits e.g. 25 x 38 - long multiplication method Your worksheets are on the pdf attachments. Here are links to videos which will explain the methods and give you some examples. Remember: if you find difficulty because you are unsure of your times tables, use Hit the Button and TTRocks to practice.</p> <p>If you are super confident up to the point of long multiplication, I have included some algebra work for you to attempt. If you have any problems with this, please get in touch through e-mail</p> <p>Upload your work to your J2e file in HWB. fideo - lluosgi gyda rhif un digid.mp4 fideo - lluosgi gyda rhif dau ddigid - dull grid.mp4 fideo - lluosgi hir dull ysgrifenedig.mp4 Fideo - Algebra.mp4</p>	<p>Year 6 only</p> <p>The time is fast approaching for you to move on to Year 7 and we would like to begin to gather information for your Yearbook.</p> <p>Write about the following please:</p> <ul style="list-style-type: none"> • Your hobbies and interests • Your favourite memory/memories from your time at Ysgol Castell-nedd • Your hopes and dreams for the future <p>I have included some examples from previous years on the attached pdf. You will need to do this both in Welsh and in English</p> <p>Upload your work to your J2e file in HWB.</p>
<p>Open the document entitled 'Y Treigladd Meddal'. Firstly, correct the mutations in the sentences and then write your own sentences containing examples of mutations.</p> <p>Upload your work to your J2e file in HWB.</p>	<p>Create a pamphlet based on the 7 Wonders of the Natural World. Consider the layout, including titles, paragraphs, pictures and the style of pamphlet (folds). Make sure to research your information first!</p> <p>Upload your work to your J2e file in HWB.</p>	<p>Correct the punctuation in one of the three reports provided as an attachment. You will need to consider correct use of punctuation symbols as well as correct use of capital letters.</p> <p>Upload your work to your J2e file in HWB.</p>
<p>Due to the fact there are fewer cars on our roads at the moment, many people have become more aware of the sounds of nature around them, for example the birds singing. Build a bird-feeder for your outside area and make a list of the different types of birds that visit. Use the internet for ideas for your bird-</p>	<p>Research different types of birds and prepare a PowerPoint or a Sway about what you've learnt. Include details about the physical appearance (colour/average size/wings/pattern etc), diet, habitat etc. Remember to think about font, size and pictures.</p> <p>Upload your work to your J2e file in HWB.</p>	<p>Design a superhero version of yourself! This design should contain a labelled picture (including appropriate wow-adjectives) and a paragraph explaining your powers (and the reasons behind them).</p> <p>Upload your work to your J2e file in HWB.</p>
