Cwestiwn/ *Question*: Beth sydd angen ar bethau byw? *What do living things need?*

Naratif / *Narrative*:

Trwy sylwi ar amrywiaeth pethau byw, a sut maen nhw'n ymwneud â'u hamgylchedd, gall ein dysgwyr ddod i ddeall sut mae'r rhain wedi esblygu dros gyfnodau sylweddol o amser. Yn ystod y tymor fe fydd ein dysgwyr yn derbyn cyfleoedd i ddatrys problemau ac ennyn sgiliau pwysig er mwyn galluogi dull 'treialu a gwella'. Bydd y dysgwyr yn ennill ymwybyddiaeth o'r ffactorau sy'n dylanwadu ar wneud penderfyniadau, gan eu rhoi mewn gwell sefyllfa i wneud dewisiadau gwybodus a meddylgar.

*By studying the diversity of living things, and how they relate to their environment, our learners can gain an understanding of how these have evolved over significant periods of time. During the term our learners will receive opportunities to solve problems and gain important skills to enable a 'trial and improvement' approach. Our learners will gain perspective of the factors that influence decision making, putting them in a better position to make informed and thoughtful decisions.*
