Cwestiwn / Question

Sut all mentor gwneud gwahaniaeth i eraill?

Naratif / Narrative

Bydd y plant yn ymchwilio i sut mae pobl leol wedi mentor i wneud gwahaniaeth cadarnhaol yn y gymuned, megis gwirfoddolwyr sy'n trefnu grwpiau glanhau, perchnogion busnesau bach sy'n agor siopau newydd, ac unigolion sy'n trefnu digwyddiadau er budd eraill. Trwy ddysgu am y straeon hyn, bydd y plant yn trafod sut y gallant hwythau gefnogi'r gymuned drwy fentro mewn ffyrdd syml, megis cynnig help i gymdogion, cynnal casgliadau bwyd, glanhau ardaloedd lleol neu rannu syniadau creadigol i wella'r ysgol a'r gymuned. Bydd y profiadau hyn yn cefnogi'r plant i ddatblygu dealltwriaeth fod mentor yn elfen allweddol o fod yn ddinasyddion moesegol a chreadigol wrth gyfrannu'n gadarnhaol at eu hamgylchedd.

The children will explore how local people have ventured to make a positive difference within the community, such as volunteers who organise litter-picking groups, small business owners who open new shops, and individuals who organise events for the benefit of others. By learning about these stories, the children will discuss how they themselves can support the community by venturing in simple ways, such as offering help to neighbours, organising food collections, cleaning local areas or sharing creative ideas to improve the school and the community. These experiences will support the children to develop an understanding that venturing is a key part of being ethical and creative citizens who make a positive contribution to their environment.
